

2022 Harry Whitney Clinic Information

Sponsored by Animal Connections Integrative Care, PA

General Information

We are excited to announce that the 2022 Harry Whitney clinics in Minnesota will be at Terrapin Farm in Delano, MN. This will be at a new location in Minnesota, and we are also starting the clinics a little earlier this year. There are 2 clinics- the first one will take place June 21st-June 26th and is a 6-day intensive format where Harry works with horses for several days then the owner gets instruction at the end. The second clinic will take place June 29th-July 3rd and is a 5-day regular format clinic where Harry gives instruction while the owner works with their horse. Sessions might involve groundwork, riding, trailer loading, trick training, trail riding, or ground driving. These clinics are open to any discipline and all skill levels.

If you would like to be a participant, a non-refundable \$300 deposit needs to be paid to Animal Connections. There are two payment options to secure your spot:

1. Venmo to @Kyla-Awes
2. Mail a check. Check made out to Animal Connections (mailed to Kyla Awes. Address at the bottom of this page)

Once the participant spots are full, the deposits for wait list participants will be held until a spot opens up. When a spot opens up, the first person on the wait list will be contacted. If they do not wish to participate, the check will be ripped up (or Venmo deposit returned) and the next person on the list will be contacted. It is common for people on the wait list to be offered a participant spot.
